

Certified Documentary Credit Specialist (CDCS) Examination Training Course 2017

Introduction:

CDCS is a professional certification that will enable documentary credit practitioners to demonstrate specialist knowledge and application of the skills required for competent practice. The CDCS program was designed in consultation with industry experts to ensure that the certification reflects best practice. It was developed by the Institute of Financial Services (ifs) University College in partnership with the International Chamber of Commerce (ICC).

To satisfy the demands of CDCS students, ICC-HK has organized a CDCS training course in January and February 2017.

Highlights:

In the last 2 years, the training focused on the Guide to Documentary Credits except for the various ICC rules. As strongly suggested by the past participants, **ISP98 is included in the coming training course** where the total number of training hours will be increased to 16. The Guide to Documentary Credits is the CDCS examination syllabus. On completion of this course, the participants will have the overall knowledge and understanding of the syllabus, which is a must and an invaluable asset to take the examination. As a matter of fact, whether a participant sits for the CDCS examination, this course equips the participant with the essential and practical trade knowledge and understanding.

Who should attend:

- Candidates who will be sitting for CDCS examination in 2017 and beyond
- LC practitioners who want to enhance their trade knowledge including ISP98

Speaker:

Mr. Jack Chan is a senior vice president and the senior trade technical advisor at a leading U.S. bank in Hong Kong. He has been in the banking industry for 4 decades. Mr Chan provides trade advisory to and conducts many trade seminars (on UCP, ISBP, eUCP, ISP98, Risks, Case Studies, etc.) for his colleagues and customers throughout the world. He was also invited by some professional bodies (e.g. ICC Austria / Thailand, Bankers Institute of the Philippines & Hong Kong Institute of Bankers) to conduct trade seminars. In 2002, Mr Chan sat for the CDCS examination and passed with distinction.
